Introduction

Welcome to The Salvation Army Ray & Joan Kroc Corps Community Center's day camp/after school program. Our team is looking forward to spending fun-filled days with your child here at the Kroc Center. Our goal is to create a positive and safe environment that will enable your child to make friends, explore new talents, and build skills. We are dedicated to encouraging children to do their best and to challenge them in ways that increase confidence and self-esteem. Please read over this entire guide, as it lays out the policies and procedures that help foster a safe, fun, and educational environment while creating a positive experience for everyone. If you have any questions or concerns, please do not hesitate to contact the Coordinator.

Mission Statement

The Salvation Army, an international movement, is an evangelical part of the Universal Christian Church. Its message is based on the Bible. Its ministry is motivated by the love of God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination.

The Kroc Center in Quincy will be a place of Inspiration, Instruction, and Involvement in our community by providing hope and opportunities for all people through spiritual and physical wellness, educational enrichment, and life skills development. We will foster an environment where individuals are enabled to reach their maximum potential physically and spiritually while providing the opportunity to be involved in the mission of The Salvation Army. We are INSPIRED by God's Holy Spirit, INSTRUCTED by God's Word, and INVOLVED in God's work.

The day camp/after school programs provide children of all ability levels the opportunity to play and grow in a positive and safe environment. We strive to develop the whole child, mentally, physically and emotionally through structured group activities that aid in socialization, character development, and increased self-worth.

Statements of Belief

We are proud of our inclusive environment, one that strives to accommodate every child. No child will, on the basis of race, color, religious belief, national origin or sex, be excluded from participation, be denied the benefits of, or be subjected to discrimination under any Salvation Army program or activity. In an effort to fully embrace inclusion and acceptance of all, we believe that:

1. Every child can make friends.
2. Every child can participate.
3. Every child can be successful.

What to Bring

Attire

Please send children in clothing and footwear that allows them the opportunity to safely participate in the activities scheduled. Students should wear shorts under dresses or skirts. Cowboy boots, heels, sandals without backs, and shoes with wheels are not permitted on the gym floor.

Sack Lunch

Children are required to bring a sack lunch on School's Out Day Camp days. If you are unable to pack a sack lunch you may also purchase items at the Kroc Café or have a meal delivered. Ensure the delivery driver tells the desk it's for a camper in School's Out Day Camp and has the camper's name on the order.

Swimsuit

On swim days, **pack a labeled swim bag, swimsuit, sandals or water shoes, and towel.**

What NOT to Bring

Below is a list of items that are not welcomed. Should a child bring select items, they must remain in the child's bag, in the hallway. Any disruptions may result in the item being kept with the staff and returned to a Parent/Guardian at check-out. This policy is for the child's safety; as well as, to encourage group interactions and participation.

- Cell phones (See Communications Section)
- Electronics: iPads, music players, game devices, cameras, etc.
- Fine jewelry or other expensive belongings.
- Heelys, skates, roller blades, heels, cowboy boots, or sandals without backs on gym days.
- Personal toys, stuffed animals, makeup, or trading cards
- Pets or living creatures

- Drugs or alcohol
- Real or pretend weapons
- Any other items the Kroc Center Staff deems unnecessary

Money

We do NOT encourage children to bring money to the program due to risk of valuables being misplaced, stolen, or pressured to be given away.

Vending Machine Policy

Vending machines are off-limits to children unless the Parent/Guardian is present or a staff member is available due to previous issues with mess and theft. Items purchased without permission will be kept with the staff and given back to the child at the end of the day.

Lost Items

Lost and found items are kept in a secure closet near the Rock Wall for two weeks after a session before being donated to the local Salvation Army Family Store. Please see the Welcome Desk Attendant and provide a detailed description of your missing item. Items may take a few days to make it to this closet so continue to check with staff or leave your contact information with the Welcome Desk Attendant. The Kroc Center is not responsible for lost or stolen items and you will not be reimbursed.

Aquatic Center

With staff supervision, all children change in the pool cabanas or the locker rooms on the lower level. Only one child is allowed in each stall or cabana at a time so each child needs their own swim bag. Children are required to change into their swimming suits on their own; assistance can only be given after the child has changed and is appropriately covered. The children will then place their clothing into their swim bag to be stored in the cubbies located on the pool deck. Prior to entering the swimming pool, the children must completely rinse off in the showers. After swimming, the children will not have the opportunity to shower. Instead, the children will change back into their street clothing to continue on to the next activity.

Children that cannot swim well or do not meet the height requirements must remain in the zero entry area of the pool. Ability is determined by the child standing flat footed with their head above water or swimming confidently without assistance. This decision is made by the lifeguards. For Parent/Guardian(s) picking children up during swim time, please contact the Coordinator's cell phone to better ensure the child is ready. Parent/Guardian(s) are welcome to come to the pool to collect their children but they must stop by the Ledge to sign their children out first. Shoes are not permitted on the pool deck and Parent/Guardian(s) must adhere to the policies of the Aquatic Center.

Behavior Expectations

Our programs strive to offer every child, regardless of ability, the opportunity to participate in recreational activities that are fun, educational, teach new skills, foster relationships, and build self-confidence. Our staff work to create a positive environment that is free from discrimination or other factors that may prohibit children from having a safe and enjoyable experience at the Kroc Center.

Every child deserves to have a positive experience at the Kroc Center, free from peer pressure, excessive negativity, and any other behavior that unfavorably affects his or her self-esteem and/or ability to fully participate. We take bullying, of any kind, very seriously. Staff members are trained in utilizing constructive disciplinary techniques to create a positive environment that welcomes growth and learning. Our perspective on discipline is to teach not punish. We strive for children to *learn*.

With each new child that joins, staff members and children discuss the rules and expectations of the program in a proactive approach. All rules and expectations are posted in the Green Room, and are used to create an environment that fosters fun, openness, and respect as children thrive creatively within a structured system.

Transportation Safety

If a field trip has been scheduled, staff may provide transportation in the Salvation Army's vehicles. Children must adhere to the following rules to guarantee safety during transport. If a child becomes unsafe during transportation, the child may be unable to continue utilizing the Salvation Army's vehicles and may be required to find alternative transportation.

- Every passenger must remain seated while the vehicle is in motion
- Every passenger must wear a seatbelt at all times
- Keep arms, legs, and other body parts to one's self and ALWAYS inside the vehicle
- Do not leave your seat or try to exit the vehicle until instructed
- No eating or drinking
- Pick up all trash and belongings before exiting
- Inside voices only; yelling distracts the driver
- Only Christian radio stations or music appropriate for children permitted

Rules

Rules are very important because they guide the way the whole group interacts and plays together. Our rules are simple for the children to remember; however, more specific rules can be easily incorporated into the four designated rules.

1. Love Others

John 15:12 says, "This is my commandment, that you love one another as I have loved you." This rule sets a precedence to come at every situation and to every individual with love. It teaches that we are all deserving and worthy of giving or receiving love. Children hear the message of, "You are loved. You are good. You are enough." This allows the children to value others with kindness, respect, honor, and compassion.

2. Be Safe

This rule adds needed structure to the entire group to help protect the children from injuries; as well as, allow us to care for the children in a direct way due to children hearing the message, "You are safe. You will be taken care of." Keeping this rule prominent in our groups helps us establish a caring environment for the children.

3. Stay Together

This rule helps to keep all of the children engaged with each other while focusing on the here and now. It also provides the important message of, "You are important and connected to this group." Staying together helps the children feel noticed and valued because there is talk about missing a child that is absent or not starting an activity until every child is ready. This allows each child to know that they will not be forgotten or excluded.

4. Have Fun

We want children to just have fun because it brings joy to their lives and allows their experiences to be more impactful. Joy gives us the opportunity to connect while building relationships, overcoming challenges, and gaining new experiences. This makes the experiences of day camp/after school lasting and far-reaching. This also gives children the message that their feelings and happiness are important.

Disciplinary Progression

As children grow and learn, it is vital that they gain an understanding of limits, expectations, and empathy. Staff have been trained to set appropriate structure and offer redirection or re-dos to the children. For smaller behavioral issues, the staff will offer a quick reminder; however, for larger or repeat behavioral issues, the staff will separate the child from the group and have a discussion. Specifically, we use:

- Engagement
- Movement
- Connection/redirection
- Redo
- Separation from the group
- Natural and logical consequences/loss of privilege
- Empathy/understanding
- Prayer/repair

Continued or Repeat Infractions

- Parent/guardian meeting

The Coordinator may contact the Parent/Guardian(s) to schedule a meeting regarding the child and the problematic behaviors noted. This meeting is intended to better understand the child, situation, triggers, and various factors, etc. It is important for the Parent/Guardian(s) to attend with a solution-focused mindset. The more information shared, the better staff can adjust to be more proactive and helpful in maintaining enrollment in the program.

- Behavioral Plan

The Coordinator, Parent/Guardian(s), and/or youth will collaborate to create a strengths-based plan to assist the child in addressing behaviors and ensuring success in the program. The team will work together to create an agreed upon plan. Specific steps will be documented and follow-up actions or consequences will be outlined.

Program Suspension or Expulsion

Repeat infractions or significant acts; such as fighting, theft, possession of weapons/drugs, suicidal/homicidal ideation, etc. may result in immediate suspension or expulsion, necessitating removal from the program. Please note, that the child's appropriate behavior is the responsibility of the Parent/Guardian; therefore, the Parent/Guardian is responsible for making arrangements to pick the child up immediately when an issue arises.

No refunds or credits are granted for missed days due to behavioral problems. A meeting may be scheduled with the Coordinator, and the Parent/Guardian(s) to discuss the incident and the decision. Written notifications may be requested following.

Program Policies

Our policies have been created and utilized in order to protect the children involved in all youth programs. The Coordinator will contact the Parent/Guardian(s) to discuss the incident and the decision.

Confidentiality

Children's records are open only to the appropriate staff members and the child's Parent/Guardian(s). Persons having access to children's records will not discuss or disclose personal information regarding the child(ren) and their relatives except to the Parent/Guardian(s), other person authorized by the Parent/Guardian(s) or as required by state law. Parent/Guardian(s) must complete the Youth Ministry Release of Information form when requesting communication with or data provided for outside agencies.

Cancellations

- *Cancellations more than seven days prior to the session:* Eligible for full refund or a transfer to another session if available. This excludes deposits as deposits are non-refundable/non-transferrable.
- *Cancellations less than seven days prior to the session:* Are ineligible for a refund or credit unless the cancellation is due to a personal emergency. Please contact the Coordinator regarding this emergency for approval.
- Pro-rated credit will not be issued for partial attendance at School's Out Day Camp or Kroc Academy. This includes sessions missed due to illness, behavioral issues, etc.
- Refunds are only issued if a session is cancelled by the Kroc Center.

Refunds

All refunds require prior approval by the Coordinator. Credit or Debit Card payments will be refunded back to the card used to complete the initial transaction. Cash or Check payments will be refunded by check and mailed to the indicated home address. It will take approximately 8 to 10 business days for the refund to be processed. This amount can be applied to future sessions.

Drop-In Child Care

We do not offer drop-in child care due to state regulations for staffing.

Weather

In the event the Kroc Center must be closed during normally scheduled hours, management will announce the closing via Facebook and/or the Webpage. Call the Welcome Desk or Coordinator ahead of time if inclement weather is expected or possible.

School Cancellations/Unexpected Half-Days

When school has been cancelled or released early due to inclement weather, there is the potential that a School's Out Day Camp may be arranged. Should this day be available, it will be displayed online or via Facebook. Payment must be made before the child is dropped off in the morning.

Late Pick-Up Fee

Our programs end promptly at 6PM. All of the children must be picked up by this time. If an emergency arises, please call the Kroc Center and notify day camp/after school concerning a late arrival. A late fee will be added to your account of \$10 for every 15-minute interval after 6PM. For example, pick-up at 6:15PM will have a \$10 fee added and pick-up at 6:30PM will have a \$20 fee added. If a child is not picked up by 7PM, local authorities will be contacted.

Discharge of Enrolled Children

The Kroc Center reserves the right to deny service under any of the following conditions:

- The Kroc Center has reached capacity for proper operation
- Previous failure to comply with payments at time of service (i.e., returned checks, unpaid balances)
- Failure of Parent/Guardian(s) to observe any Kroc Center policy

- A child is a continued disciplinary problem
- Staff is unable to meet the individual or unique needs of the child after every appropriate and reasonable effort has been made

The Kroc Center staff will make every reasonable effort to keep a child in the program. If there are recurrent issues that cause program disruption, safety concerns, an inability to meet the child's needs or a severe incident has occurred requiring immediate action, the Coordinator will conduct a consultation with the Parent/Guardian(s) to better understand the circumstances and to create an agreed upon plan of action. Should the need arise where a child must be asked to leave the program, personal contact with the Parent/Guardian will be initiated by the Coordinator. A plan for the child's return at a future date will be discussed and agreed to, if applicable, and the terms under which the child may return will be clearly defined. Written notification will follow the meeting.

The Parent/Guardian may also initiate this process should they feel there are issues that cannot be agreed upon. Parental/Guardian requests for removal from the program must be addressed as soon as possible and no later than the next business day after the request is made.

Drop-Off & Pick-Up Procedures

Drop-Off

The Salvation Army Kroc Center is a public facility and the surrounding parking lots are typically busy during drop off and pick up times. Please keep in mind the safety of others; as well as, the child. Children may not check themselves in or out of the program. An authorized adult must be present for this process. Children will hang up their belongings in the coatrack hallway leading to the Green Room then walk to the Ledge to check in.

Pick-Up

When an authorized adult with proper identification arrives, they will check-out with staff in the Ledge.

- Authorized Pick-Up
 - Authorized adults must be listed on the Authorized Pick-Up section of the "Youth Programs Registration Form". Parent/Guardian(s) must provide verbal or written permission to update the approved list.
 - Only the Parent/Guardian that enrolled the child may change the list of individuals authorized or NOT authorized to pick-up the child. This should be done in-person and identification is required.
- Valid Identification
 - To prove identification, the adult must present a current picture I.D. Accepted forms of identification include valid state-issued identification card, driver's license, military identification card, or passport.
- Staff may not deny a legal Parent/Guardian access to their child without the proper legal documentation; said documentation must be on file.
 - Many times children in our care will have Parent/Guardian(s) that have sole custody, joint custody, or another arrangement. If a Parent/Guardian has legal documentation restraining a Parent/Guardian from obtaining access to a child, we must have a copy of the legal verification/documentation in our files; otherwise, we cannot deny access to a legal Parent/Guardian.
- The Game Room Attendant will check approval and contact the group. The children will then walk to the game room to meet the authorized adult.

- If pick-up is time sensitive, please inform the Coordinator in advance to better guarantee your child is ready in the Ledge but please be understanding that this process takes time.

Release of Children to Impaired Persons

If a Parent/Guardian (or authorized adult) appears to be impaired, the Kroc Center staff will follow these steps for safety of the campers:

- The Kroc Center staff will express concern for the condition that the person appears to be in and will state the danger that their condition places the child in.
- The Kroc Center staff will try to contact another Parent/Guardian or authorized adult to pick up the child.
- If another authorized adult is unavailable to pick up the child, the Kroc Center staff may contact the proper authorities if it is determined to be in the best interest of the child.
- If the person refuses the above procedures and attempts to leave the Kroc Center with the child, the Kroc Center staff will call local law enforcement.
- Under no circumstances will the Kroc Center staff intervene and take the child home.

These procedures are in place and will be carried out for the safety of all involved.

Leaders

We feel confident that we have the best staff around! Most importantly, our staff is made up of people who love children. They want to spend their time playing, teaching, and working with children. All staff members are certified in basic First Aid/CPR, and Safe from Harm, through extensive annual training. Additionally, they receive regular training and mentoring on effective discipline. Parent/Guardian(s) can rest assure that we are hiring the “best of the best” to work with the children.

Tips/ Gifts

The Salvation Army policy states that employees are not to accept tips, gifts, or other forms of gratuities. We encourage Parent/Guardian(s) to make a donation to help our scholarship program. Contact the Welcome Desk for more information.

Communications

Contacting a Child

We understand that urgent situations arise. If a Parent/Guardian should ever need to reach their child while at the Kroc Center, they should call the Welcome Desk, the Coordinator’s cell phone, or the Ledge phone. A Kroc Center staff member will be able to reach the child’s leader to either relay the message or bring the child to the nearest phone.

Visitors

We encourage all Parent/Guardian(s) to join us for a few hours and explore the program. First, contact the Coordinator to schedule a date to visit and observe the program. On the scheduled date of the visit please stop by the Ledge and be prepared to show identification to ensure that all visitors are listed as authorized adults. We ask that adults observe from a distance, so as to maintain safety procedures in activity areas.

Cell Phone Policy

Social development is one of our top values; however, use of cell phones create a distraction and a “disconnect” between children and the impact of the activities being led; as well as, their overall involvement with peers in the program. Children are not permitted to have cell phones on them during the program. If there is a specific reason a Parent/Guardian would like their child to carry a cell phone, please communicate this with the

Coordinator. Guidelines will be created for this exception. If an approved cell phone becomes a distraction or is used other than the expressed reason, the phone will be taken away and returned at check-out.

Contacting Staff

Exchange of information between Parent/Guardian(s) and staff provides insight for both parties. It is vital that we are informed of changes in a child's life so the staff may provide the best care possible. We will treat this information with the utmost confidence and concern. There are several methods in which Parent/Guardian(s) may contact the staff:

- Enrollment Form: Parent/Guardian(s) are encouraged to indicate any circumstances that may affect the child's experience at the Kroc Center on the registration forms.
- Telephone: Parent/Guardian(s) may call the Kroc Center and ask for the staff or contact the Coordinator's work phones. Phones are kept at the Kroc Center after hours.
- Email: Written notification is an excellent way to communicate information about a child; as well as, specific questions or concerns that arise. Anticipate an email or phone response within 24 hours, Monday through Thursday.
- In-Person: The coordinator is often leading programs. Meetings should be scheduled in advance to better guarantee availability.

Medical Protocol

If a child has any medical needs requiring assistance or accommodations, please include this information on the "Youth Programs Registration Form" and fill out the "Youth Ministry Inclusion Form." This includes all medical or behavioral diagnoses that may affect a child's experience regardless if the child takes medication for the condition as knowledge assists the staff in providing the best care possible. The Coordinator will contact the Parent/Guardian for further information regarding the child's needs, medications, side effects, behavioral plans, etc. if needed.

Medications

Medications administered during day camp/after school require a completed "Youth Ministry Medical Information Sheet" signed by the child's prescribing physician. All medication(s) must be dropped off in the original prescription container with the child's name printed on the label. Please place the prescription container in a clear plastic bag with the child's name clearly marked.

- Centrally Stored Medication
 - Authorized adults must drop off and pick up all medications at the beginning and/or end of each session. Any medication left overnight is documented in the "Centrally Stored Medication Log."
 - All medications are stored in locked containers, in a locked cabinet with access by the Health Supervisor (Coordinator).
- Medication Administration
 - The Health Supervisor (Coordinator) will oversee administration of all medications according to the directions on the prescription bottles or any additional instructions given by the prescribing physician only.
- Permission to Carry
 - Children held responsible for carrying and administering medication require signed permission at the bottom of the "Youth Ministry Medical Information Sheet."

- This typically includes prescriptions such as asthma inhalers and epi-pens.

Illness at Day Camp/After School

We are not designed to handle ill children. If a child becomes ill, our staff will contact the child's Parent/Guardian for pick-up.

Injury at Day Camp/After School

Staff will treat minor injuries requiring application of a bandage or ice. If further medical attention is required or if we are unsure of the severity of the injury, Parent/Guardian(s) will be notified immediately. The Emergency Medical System (911) will be activated at the discretion of the Coordinator. If we are unable to reach the Parent/Guardian(s), staff will continue calling adults listed on the "Youth Programs Registration Form." Children requiring immediate medical attention will be transported to the hospital by an ambulance. All expenses for emergency medical care are the responsibility of the Parent/Guardian.

Thank You

We look forward to spending time with each and every child that walks in our doors. Thank you for this opportunity to make a difference and we pray we help each child succeed to the best of their ability.

God Bless.
